

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

It cannot be emphasized enough that the consolidations the present FCC board is planning will cause severe unrest.

These consolidations are UnAmerican because they are undemocratic. The corporations have too much power, and you are complicit in eroding democracy by giving them bigger markets.

Your efforts to help the corporations are short-sighted and will lead to much social unrest.
